

Discipleship Group Covenant

Welcome and congratulations on your desire to grow as a disciple of Jesus through prayer, study of God's word, and relationships with others in this group. Newcomers are welcome to visit; for the purposes of discipleship, fellowship, and accountability we generally ask that those who wish to join are members of New City Church.

To be a part of the group you are asked to enter into a covenant with the other members by agreeing to the following:

1. As part of the larger mission of New City Church I will uphold the purpose of this group:
To glorify God by making disciples of Jesus.
2. I will make this group a priority by attending each meeting, keeping up with my assignments, and participating openly in group discussion.

We meet: _____ from _____ to _____

3. I will strive to build authentic relationships with those in this group by showing respect, providing care and encouragement, and regularly praying for their needs. In doing so I will help to keep this group a safe place where people can feel accepted.
4. I will commit to and trust in the confidentiality of this group. Anything that is shared will be considered confidential and will not be mentioned outside of this group.
5. I will demonstrate loving care to the group by not physically attending meetings if I am sick with a cold/flu or have recently shown such symptoms. (Joining by conference call may be possible).
